30 years of off road racing at Mt Ooraminna track, a credit to such a great club.

Treasurer's Job: This is not a hard job. Attend Committee Meeting once a month and keep the books in order... check letter box, write cheques, and liaise with President and other committee members.
Event Secretary: Once again not hard, attend committee meetings once a month, attend scrutiny once a month and do sub-regs for up and coming meetings. Liaise with CAMS and committee members.
Secretary: Attend Committee meetings and do minutes, write up minutes and send out to all club members. Do club memberships throughout the year.
Committee Member: Attend Committee meetings once a month, and assist with the running of the club throughout the year.
Time Keepers: Attend Race Meetings once a month and sit in air-conditioned/heated tower and watch the race from the best vantage point in club. Training will be given to all persons who wish to learn time keeping.

Extra note time keeper is needed as well, Craig & Tracey are moving south, Tracey has done a wonderful job of time keeping, Craig has been a bit of a help as well, good on you both.

We have an awesome club, great facilities great members, it is actually quite social to be on the committee and with the new constitution and the acquiring of our land (soon) there are exciting times coming up for the club, so think seriously about helping your club out and getting onto the committee... ***AGM will be held at Mt Ooraminna under the Fantastic Canteen Area on the Saturday Evening of the 25th October 2014. So even if you intend not racing we would love you to come down and join the meeting and support your club.***
